

Disciplinary Hearing Authority – Operating Procedures

State Board LEA Policy 6317 – Required Remands and Student Disciplinary Hearing Authority lays out the broad requirements and expectations for establishing and implementing a discipline appeals process, including the formation of a Disciplinary Hearing Authority (“DHA”). This document provides the standard operating procedures for compliance with state law and State Board LEA policy for State Board authorized charter schools. These procedures cover:

- [Charter School Discipline Appeals Process](#)
- [Establishing a DHA](#)
- [DHA Hearings](#)
- [Creating an Official DHA Record](#)
- [Special Circumstances Modification of Required Remand](#)
- [Required Policies and Procedures](#)
- [Forms and Appendices](#)

Charter School Discipline Appeals Process

As required by State Board LEA Policy 6313 – Student Discipline, each authorized charter school shall adopt policies and procedures that outline the violations and infractions that may lead to disciplinary action. Specifically, schools shall be clear about infractions that warrant suspension from school and the length of that suspension. The following procedures outline the appeals process for the remand/suspension of a student at an authorized charter school. (See also the [Disciplinary Hearing Authority and Appeals Flow Chart](#) contained within this guidance document.)

- **Suspensions of ten (10) days or less:** Each school shall develop a policy to handle suspensions of ten (10) days or less that provides written notice to the student, but shall not provide the student the right to appeal the suspension decision to a DHA. The State Board will monitor suspension data through the State Board’s student information system for compliance, as necessary.

Pursuant to T.C.A. § 49-6-3401(c)(3), if a student is suspended for more than five (5) days, the principal of the school shall develop a behavior improvement plan. The principal shall seek input for the behavior improvement plan from people with knowledge of the student’s behavior, including but not limited to the student, the student’s parent(s)/guardian(s), general education teachers, counselors, behavior interventionists, and special education teachers, if applicable.

- **Suspension of more than ten (10) days:** If a student commits an infraction that warrants a suspension of more than ten (10) days, that student shall be remanded to alternative school for the duration of the suspension, [except under special circumstances](#). Immediately following the decision for suspension, the student and the student’s parent(s)/guardian(s) shall be notified, in

writing, of the suspension and the student's right to appeal to a DHA within five (5) school days. The written notification shall be accompanied by copies of all school policies and procedures related to DHA appeals, State Board Policy 6317 - Required Remands and Student Disciplinary Hearing Authority, and this guidance document.

Within five (5) school days of the suspension decision, a student or the student's parent(s)/guardian(s) may appeal the remand/suspension, orally or in writing, to the school DHA. The chairman of the DHA shall then provide written notification to the parent(s)/ guardian(s) of the student, the student, and any other appropriate person(s), in a language that he or she understands, of the time, location, and date of the hearing. The chairman should make every attempt, within reason, to accommodate the schedule and transportation restrictions of the parties involved, particularly those of the student or parent(s)/guardian(s). However, pursuant to T.C.A. § 49-6-3401(c)(4)(A), the hearing shall be held no later than ten (10) days after the beginning of the remand/suspension.

The DHA hearing shall be held according to the policies and procedures set forth by the school and shall take one (1) the following disciplinary actions:

- Affirm the decision of the school principal;
- Order removal of the remand/suspension unconditionally;
- Order removal of the remand/suspension upon such terms and conditions as it deems reasonable; or
- Remand/suspend the student for a specified period of time.

However, the DHA may not suspend a student who has been remanded to alternative school unless the director of schools has approved a suspension as a special circumstance. Within five (5) school days of the DHA rendering a decision, the student, student's parent(s)/guardian(s), principal, principal-teacher or assistant principal may request, orally or in writing, a review by the governing board, and the governing board shall review the official DHA record.

Each school shall determine how the governing board will conduct a review of the DHA appeal, including the timeline for a decision and attendance at the appeal hearing. As a best practice, schools shall outline in policy how attendance (whether in-person or virtual) shall be addressed for a governing board appeal. If outlined in the adopted by-laws, governing boards may follow the attendance/quorum requirements they have adopted. The deadline for the governing board to make a decision shall be set forth in each school's policy.

Following the review, the governing board, in writing, shall take one (1) of the following actions:

- Deny the request for a hearing and affirm the decision of the DHA;
- Deny the request for a hearing and overturn the decision of the DHA; or
- Grant the request for a hearing, then affirm or overturn the decision of the DHA.

The governing board shall not impose a more severe penalty than that imposed by the DHA without first providing an opportunity for a hearing before the governing board. The notice of the hearing shall include a statement that, unless the student or the student's parent(s)/guardian(s) request an open hearing in writing within five (5) school days of receipt of the notice, the hearing shall be closed to the public. The decision of the governing board shall be final.

- **Expulsion for a zero-tolerance offense:** Any student committing a zero-tolerance offense shall receive a mandatory one (1)-year expulsion from school. A student or parent/guardian may appeal the expulsion decision to the school's DHA within five (5) school days of the student receiving the expulsion. For a zero-tolerance infraction, the student shall only be permitted to appeal regarding guilt or innocence of the zero-tolerance infraction and/or whether the student was provided with proper due process. The DHA hearing shall follow the procedures set forth by the policy of the school.

Following the DHA hearing, the student has the right to appeal the decision to the director of schools within five (5) school days of the DHA's decision. The student must notify the director of schools, in writing, of his/her appeal to modify the mandatory one (1)-year expulsion using the [form](#) contained within these procedures. The director of schools shall request a written recommendation from the DHA to accompany the official DHA record submitted for review. As part of the review, the director of schools shall consider the recommendation from the DHA, if any, regarding a proposed modification of the student's expulsion. The director of schools shall not be bound by the recommendation of the DHA and shall render a decision within seven (7) calendar days.

Within five (5) school days of the director of schools' rendering a decision, the student, student's parent(s)/guardian(s), principal, principal-teacher, or assistant principal may request, in writing, a review of the official DHA record by the governing board regarding the student's guilt/innocence of the zero-tolerance infraction and/or whether the student was provided with proper due process.

Each school shall determine how the governing board shall conduct a review of the DHA appeal, including the timeline for a decision and attendance at the appeal hearing. As a best practice, schools shall outline in policy how attendance (whether in-person or virtual) shall be addressed for a governing board appeal. If outlined in the adopted by-laws, governing boards may follow the attendance/quorum requirements they have adopted. The deadline for the governing board to make a decision shall be set forth in each school's policy.

- Following the review, the governing board, in writing, shall take one (1) of the following actions:
- Deny the request for a hearing and affirm the decision of the DHA;
 - Deny the request for a hearing and overturn the decision of the DHA; or
 - Grant the request for a hearing, then affirm or overturn the decision of the DHA.

However, the governing board of the school shall not have the ability to modify the decision of the director of schools with regard to modification of the student's expulsion. If the governing board grants a hearing, the notice of the hearing shall include a statement that, unless the student or the student's parent/guardian requests an open hearing in writing within five (5) school days of receipt of the notice, the hearing shall be closed to the public. The decision of the governing board shall be final.

Establishing a DHA

Annually, each school shall report all members of the DHA to the State Board by July 31st by submitting the [form](#) contained within this guidance document.

DHA Hearings

Each school shall develop a policy for conducting a DHA hearing. The chairman of the DHA is responsible for setting the time, location, and date of the DHA hearing and clearly communicating that information to all parties involved in a language that can be understood by the parties. The chairman should make every attempt, within reason, to accommodate the schedule and transportation restrictions of the parties involved, particularly those of the student and the student's parent(s)/guardian(s). However, pursuant to T.C.A. § 49-6-3401(c)(4)(A), the hearing shall be held no later than ten (10) days after the beginning of the remand/suspension.

Each school's DHA policy shall state whether a student is allowed to have an attorney present and, if applicable, what role an attorney may play in the DHA hearing. Additionally, an official record shall be created for each DHA hearing.

Creating an Official DHA Hearing Record

Each school shall create an official record of every DHA hearing. The official record of a DHA hearing shall include minutes and a recorded version of events. The method of recording shall be determined by the school, but it must be outlined in the school's DHA policy. Acceptable methods of recording include:

- Transcription
- Audio recording
- Video recording with audio

The official record of a DHA hearing shall be reviewed in the event that a DHA decision is appealed. If an appeal is brought to the director of schools or charter school governing board, the chairman of the DHA shall immediately provide all documentation (minutes, transcriptions, recordings, etc.) to the appellate body.

Special Circumstances Modification of Required Remand

If a special circumstance arises that the school believes justifies a disciplinary action other than the required remand to alternative school, the school may submit documentation for a special circumstances modification. Within one (1) day of the disciplinary infraction, the school shall notify the director of schools, or designee, in writing of the special circumstance using the [form](#) contained within these procedures to outline:

- The disciplinary infraction committed by the student;
- The proposed modification of disciplinary action; and
- A detailed explanation outlining the special circumstances and reasons for requesting a modified disciplinary action.

Following receipt of the form, the director of schools, or designee, will consult with the school regarding the special circumstance and will make a decision regarding the proposed modification of the required remand within seven (7) business days. The school shall be responsible for informing all necessary parties of the decision, including, but not limited to, the student, the student's parent(s)/guardian(s), and the student's teachers.
